Broadcast in LinkedIn

The screenshot shows the LinkedIn 'Refer Candidates' interface for a 'Systems Analyst (Recruiter)' position. The interface is divided into three main sections for sharing the opportunity:

- Section 1: Share this opportunity to my connections or group:** This section includes radio buttons for 'Show reward information' (selected) and 'Hide reward information', and a 'Share' button. A callout 'All Connections?' points to this section.
- Section 2: Send this opportunity to selected connections:** This section includes radio buttons for 'Show reward information' and 'Hide reward information' (selected), and a 'Connect with LinkedIn' button. A callout 'Groups where you are Member' points to this section. A large number '2' is displayed on the left side of this section.
- Section 3: OR copy and paste the code below to your LinkedIn group:** This section contains a text box with a pre-filled message: 'xlanz is looking for Systems Analyst (Recruiter), please click on the link below to see more details' followed by a URL. A callout 'Selected Connections' points to this section. Another callout 'Cut and Paste Message to your Group' points to the text box.

On the left side of the interface, there is a navigation menu with options: Home, LinkedIn, Facebook, Twitter, Google Buzz, Email, and Direct Referral. A callout 'Show or Hide reward' points to the reward information options in the first section.

Broadcast using your Email list

The screenshot shows a web application window titled "Refer Candidates to: Systems Analyst (Recruiter)". The interface is divided into a left sidebar and a main content area. The sidebar contains navigation buttons for Home, LinkedIn, Facebook, Twitter, Google Buzz, Email, and Direct Referral. The main content area is titled "Job Title: Systems Analyst (Recruiter)" and includes a "My Contact List" section with a list of contact sources: "My own email list", "Gmail Contacts", "Yahoo Contacts", and "MSN / Hotmail Contacts". Below this is a large empty text box for entering email addresses, with a callout bubble pointing to it that says "Email ids of your Contacts". Underneath the text box is a message composition area titled "Your Message:" containing the text: "Hi, xlanz is looking for Systems Analyst (Recruiter). Anyone interested? See job description at: http://xlanz.MeshHire.com/EJob.aspx?SCj1Q4C8MYOKZs%2bSQ9Hv0GWx1%2brVuf61ah0IRCSv3aEmtvj479NWuw%3d%3d". A callout bubble points to the message text with the text "Edit the message if required". At the bottom of the message area is a "Thanks" line. A final callout bubble points to the URL in the message with the text "Do not change this text".
